Re: Freedom of Information Act Request

Dear [REDACTED]

We are in receipt of your letter dated October 30, 2009 requesting information regarding contracts between the Carson City School District and lobbyists.

- Request I - We have no contracts between the School District and lobbyists;
- Request II - We are a member of the Nevada Association of School Boards (NASB). However, the Carson City School District recognizes NASB as a non-profit 501(c)3 Education Association. We have enclosed our payment records of dues paid for membership to NASB;
- Request III - We have no records of payment to lobbyists;
- Request IV - We have no email or other written communication between the School District and lobbyists and we have no records of such private correspondence from members of the Governing Board;
- Request V - We have not sponsored any such receptions, and therefore we have no invitations to such functions.

Sincerely,

Renae Cortez  
Administrative Assistant  
Superintendent/Board of Trustees
